Prayer Requests:

Western District Conference: Pray for Chuck Neufeld, Illinois Conference Minister, and Eugene Thieszen, pastor of Herold Mennonite Church, our Assembly 2012 preachers. Pray for Doug Penner, our Western District Conference moderator, who will be leading our delegate session.

Mennonite Education Agency: Pray for the eight Goshen College students in the Camping Inquiry Program, the youth they are serving and their exploration of whether they might pursue this ministry in the future. Students are serving at the following camps: Amigo Centre and Camp Friedenswald in Michigan, Wilderness Wind in Minnesota, Drift Creek Camp in Oregon, Highland Retreat in Virginia, and Camp Squeah in British Columbia.

Mennonite Mission Network: Janie Blough, who has served with Mennonite Mission Network in France with husband, Neal, since 1975, is passionate about music and its contribution to building the church. Pray for inspiration as Janie develops a curriculum that will help recover and maintain the Anabaptist-Mennonite music tradition, and also will affirm the diverse musical cultures that make up the French Mennonite church. (See *Mission Mosaic*, page 37, in your pew)

Shalom Church: Peter Voran moved Friday, June 22 from Newton Medical Center to Kidron-Bethel Healthcare Center. Lois and Peter give thanks for your prayers, for the care he has received and for this opening at Kidron-Bethel where they have their home. Please pray for **those who are attending camp** this week.

Budget Update: Through May our actual giving was at 95% of the budgeted amount. Expenses were at approximately 84% of the budgeted amount. The main factor influencing our expenses being below budget involves delaying the payment of most benevolences. As previously identified, our "reserve fund" is nominal. Based on a combination of factors, including the need to maintain cash flow and insuring that our actual giving matches expenses, Coordinating Council approved a plan to delay a majority of the benevolence payments in our current budget until closer to the end of our fiscal year. Letters are being sent to those affected explaining the situation along with restating our intent to honor our pledged amount. If you have any questions please feel free to contact me, Matthew Schmidt, on behalf of Coordinating Council.
